Preventing and
countering violent
extremism (PVE/CVE)
As with the concept of
'violent extremism',
there is no universal
consensus regarding
what exactly
constitutes 'preventing'
or 'countering violent
extremism' (PVE/CVE)
nor what forms these
should take (McCants
and Watts, 2012). The
key elements of CVE

Put simply, we are building a global partnership against violent extremism.

Success requires showing the world the power of peaceful communities instead of extremist violence.

Success requires offering a vision that is positive and proactive: a world with more concrete alternatives to the nihilistic worldview of violent extremists.
