What Type of Transmission Fluid for Honda Civic. Capacity

Automatic/Semi-automatic transmissions. Most of Honda's automatic transmissions are unusual in that they do not use planetary gears like nearly all other makers, however, Honda has recently introduced (2017) an all-new, in-house designed 10-speed automatic that uses planetary gears. Honda's older transmissions such as the Hondamatic semi-automatic transmission and its successors use ...

List of Honda transmissions - Wikipedia

This writeup was done on a 1999 Civic EX, D16Y8 engine with manual transmission. I also did this writeup because many people never change the manual transmission fluid. I know my transmission fluid was probbaly never changed because the transmission fluid change before the one i just did for this writeup, the fluid came out black, like motor oil.
