Old In Art School A

Old in Art School succeeds as a story of a budding artist, and also as guidebook: you can design your own art education by following along with Painter's readings and reflections on artists in the canon; women artists who Painter appreciates, and elevates, and sometimes befriends; artists who become important to Painter's interests and to her cultivated eye . . . Painter communicates in language which is bodacious and, in moments, color-saturated . . .

Old In Art School: A Memoir of Starting Over: Painter ...

There are many things to love about Old in Art School. The whole idea of someone going art school at the age of 64 is amazing, and Painter definitely provides a detailed sense of the experience for those of us who've never been (nor, in fact, even know someone who's been).
