Fun book I love books where ordinary people are allowed to become extraordinary. The only problem I have with this book is a rather large one. I'm rather sick of this double standard where the wife must be monogamous and the husband gets to sleep with anything that moves. I won't support that message so I won't be reading any more in this series.

Champion for Hire (Portals of Infinity, #1) by John Van Stry

Van Stry's protagonist, Will, stumbles into one of these portals and starts down the path to becoming a champion. Along the way he beds a lot of women and kills a lot of the followers of his god's enemies. Unfortunately, this potential is often squandered through what feels like excessive haste on the part of the author.
